Clarke Botanical garden in Albertson has short trails, stroller friendly, ponds where children can find tadpoles and turtles. No fee. Hidden gem. Many picnic areas. You can spend a whole day lazing around with a book while your children play in nature by you. I used to bring some empty Tupperware containers for them to fill with dirt or pond water and they played hours by the pond edge. LI RESIDENT

Can also bring your own kayak to launch</p> <p>Animals on site: dwarf goats, birds, snakes</p>

“Norman Levy in Merrick has goats and it’s a great paved path with a few things to see like a sun dial and workout equipment. It also can take you to the water—Norman Levy Park in Merrick has a couple of loops that wind up a hill and when you get to the top there are great views of the island. There are also goats and chickens there as well. If you hit it at the right time the goats are out for their walk as well and can walk right beside you.” - LI RESIDENT
